

PERSONNELInvestigating/Reporting Alcohol or Drug Use

The laws regarding the sale, distribution, possession and/or use of illegal drugs are clear and penalties are provided for violators of these laws. All members of the school community are subject to these laws on school grounds as well as elsewhere and have the responsibility as citizens to uphold these laws.

The Stafford County School Board will not condone any violation of the law and will fully support any employee who, in good faith acts to report, investigate, or cause any investigation to be made into the activities of students or other persons as they relate to the use of alcohol or drugs in the public schools.

Editor's Note

For use of alcohol and drugs by employees see division regulation #R5-24.

See also division regulation #R5-50.5.
